**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

A competitive marketplace for broadband access is crucial for my familys choice in access to news and information. We rely on an independent provider with excellent customer service and competitively priced DSL access to the internet. We would certainly pay more and get less for our phone and internet service without broadband competition.
